## FROM THE DESK OF THE PASTOR

The Lord be with you! In our last article we briefly mentioned the liturgy without going into detail about the reforms of the Mass. Although far more ancient than the Council, what would be called the Tridentine Rite would become the most influential liturgy in the Church.

The original Roman Rite developed around the Fifth Century under Pope Gregory the Great. This liturgy could have been even older, but it was Pope Gregory's codification of it that gives us a definitive date. We can see even at this early time a clear difference between it and the eastern liturgies in Greek.

Over the next five hundred years, the Roman Rite spread through Europe. It did not remain one universal rite. In almost every diocese and religious order, local customs prevailed and reshaped the Mass. By 1000 AD the Western Church had dozens of liturgies grouped in a few major families. Almost all of these used the Roman Canon - Eucharistic Prayer I - but differed in how the priest started Mass and how the people participated. Although the Pope controlled the Roman Rite in Italy, outside the liturgies were controlled by local bishops and religious heads.

The Protestant Reformation forced the Church to standardize. Whereas before local customs may have been odd, with Luther and Calvin the Mass was stripped of its essence. Accordingly, the Council of Trent suppressed any liturgy younger than 200 hundred years and called for the Roman Rite to be reformed and made the standard.

Thanks to the Franciscans having used the Roman Rite, it had been spread throughout Europe anew in the 13th Century so that almost every Catholic diocese had some experience with it. Nevertheless, many Catholics were not happy to be told that they had to use it. A number of papal legates in Germany were beaten and some were even killed by angry Catholic mobs over the Mass changes.

Even though it is called the Tridentine Rite, the Council did nothing directly with the liturgy. Instead, Pope Pius V was entrusted with the work. He barely changed the form of the Mass but mandated that no one but the pope could change it or the liturgical calendar in the future. Over time almost all of the other liturgical rites died off with a few exceptions, such as the Ambrosian Rite in Milan, Italy.

The most controversial decision of Pope Pius V's reform was to mandate Latin. Many of the bishops at Trent argued that the liturgy should be in the vernacular. At the time the use of common languages was seen as too open to abuse. Many bishops expected that in a century or so Latin would be replaced with other languages. Sadly, it would not be until the Second Vatican Council that the Church changed her liturgy significantly.

The Tridentine Rite is beautiful and moving, but its dominance in the Church need not have happened. Like all traditions, liturgies evolve and change. We should all approach our worship with the humility to be moved as God wants us to be.

In His Sacred Heart,  
*Fr. John*

# The Epiphany of the Lord

**January 4, 2026**

## **ST. THOMAS MORE SCHOOL**

All students began the school year with the Fitnessgram Test, which measures the five components of fitness: cardiovascular endurance, muscular endurance, flexibility, muscular strength, and body composition. They completed the Sit and Reach, Push-Ups, Sit-Ups, Shuttle Run, and PACER tests, achieving impressive results. Top performers in each class were recognized by having their names added to the Fitnessgram trophy for the test in which they excelled.

Students in Kindergarten through second grade completed a throwing and catching unit, focusing on fundamental motor skills—especially stepping with opposition when throwing. They enjoyed a variety of games, including Oscar's Trash Can, BOOM! City, Candy Land, Smashing Pumpkins, Poison Ball, and BattleShip, all while improving their throwing and catching skills and having fun together.

Students in third through eighth grade participated in a fast-paced Handball Unit, learning to work as a team while practicing quick passing, jumping, and powerful shots. Handball quickly became a favorite invasion game among the students.

During November and December, all grade levels shifted their focus to kicking fundamentals, including dribbling, accuracy, and maneuvering around obstacles. Students loved applying these skills in games such as Crazy Soccer, GOAL!, and Sideline Soccer.

Looking ahead, we will continue building on these skills as we move into units featuring invasion games, target games, and striking and fielding activities. I want students to develop strong sportsmanship, demonstrate cooperation and support even when on opposing teams, and apply the techniques and skills learned in class to game-like situations. Above all, my goal is for them to enjoy themselves and cultivate a lasting appreciation for physical education.

Mrs. Amber Bockelman  
Physical and Health Education Teacher

## EPIPHANY BLESSING OF A HOME

**ALL:** Make the Sign of the Cross.

**HEAD OF HOUSEHOLD:** Peace be to this house and to all who dwell here, in the name of the Lord.

**ALL:** Blessed be God forever.

**READER:** In the beginning was the Word and the Word was with God, and the Word was God. He was in the beginning with God. All things come to be through Him, and without Him nothing came to be...And the Word became flesh and dwelt among us, and we saw his glory, the glory as of the Father's only Son, full of grace and truth. (John 1:1-3, 14)

Using chalk, write the first half of the current year (20), initials of the 3 Magi (C + M + B) followed by the other half of the year (26) (20+C+M+B+26). Each could be written by a different member of the household. Place this above the main entrance to your home.

**ALL:** Lord God of heaven and earth, you revealed your only begotten Son to every nation by the guidance of a star. Bless this house and all who inhabit it. May we be blessed with health, goodness of heart, gentleness and the keeping of your law. Fill us with the light of Christ, that our love for each other may go out to all. We ask this through Christ our Lord.

AMEN.
