## Mission Statement

At St. Thomas More Preschool learning and fun become one. We are sensitive to each child's social, emotional, intellectual, and physical needs. Each child's unique developmental growth is nurtured through age-appropriate activities that emphasize a "hands-on" learning process. Through exploration, the child discovers God in the world around them. Our program is designed to develop in children a sense of independence and responsibility. We encourage not just learning, but also the love of learning.

St. Thomas More Preschool Program prepares children ages 3-5 to:

- Build foundational skills by learning through experiences in Math, Science, Language, Religion, Play, Art, Technology and Music.
- Successfully transition to PreK and Kindergarten classes.

St. Thomas More Preschool has a licensed teaching staff with over 25 years of combined teaching experience.

## About the Preschool Program

---

*“The whole fruit of their [educational] endeavors should consist in the testimony of God and a good conscience.” —St. Thomas More*

The Preschool is located in the St. Thomas More School building. This preschool program is for children from three to five years of age. The child must be three years of age by September 30th and toilet trained to enroll for the school year beginning in August. Children enrolled in the Preschool will have preference for enrollment in the St. Thomas More School Kindergarten program.

Certified teachers experienced in early childhood education, provide a comprehensive curriculum. Kindergarten readiness skills in math, reading and language arts are emphasized, along with the development of gross and fine motor skills. Other activities include music and movement, arts and crafts, computer exploration, and nature and science activities. Christian values are interwoven in the curriculum.

The Preschool’s school year follows the St. Thomas More School master calendar.
